Soft Skills: Adaptability, Flexibility, Quick Learner, Passionate, Attention to detail

EXPERIENCE

4/2023 – Present **Flutter Application Developer (Remote)** Cateri, Kuwait
~9 months

- Created a **user-friendly** mobile app connecting users to local food trucks around Kuwait City.
- Implemented a custom **Map screen** with cool animations to make the user experience more enjoyable.
- Reduced food search time by half with **instant menu** access and precise truck **locations** on **Map**.
- Using **AppWrite** BaaS reduced costs and improved app functionality.

Flutter / Maps / RESTful

3/2019 – 4/2023 **Flutter Application Developer** Freelance
~4 years

- Successfully completed multiple freelance projects for various clients, ranging from small utility applications to complex apps with intricate functionalities.
- Acquired an in-depth understanding of the complete app development cycle, from ideation and design to development, testing, and deployment.
- Created several personal apps for daily use, which are available on GitHub.
- Demonstrated diverse skills in developing functional, user-friendly, and visually appealing solutions.

Flutter / Dart

3/2017 – 1/2019 **Android Application Developer** Freelance
~2 years

- Learned about developing Android apps through online courses and books.
- Completed various freelance projects for clients ranging from small utilities to complex apps.
- Created personal apps for daily use including mobile tools and editing apps
- Experience in developing Native Android apps has been both challenging and rewarding

Java / Kotlin / XML

PROJECTS

Flutter **Note App** https://github.com/SalehTZ/note_app_flutter
This project is a note-taking application developed using the Flutter framework, with Hive serving as the database. The application empowers users to effortlessly create, delete, and edit notes, providing a seamless and efficient note-taking experience.

EDUCATION

9/2016 – 9/2020 **Computer Science** Shahid Bahonar University of Kerman
Studied Computer Science at SBUK

LANGUAGES

English - Advanced , **Persian** - native
